A record of *Utetheisa pulchella* Linn. at m.v. light at Buckland, near Reigate, Surrey.

A specimen of this rare migrant was found in my garden trap on the morning of 6th October 1990. The specimen, a male, was exhibited alive at the annual exhibition of the AES later the same day.— COLIN HART, Fourpenny Cottage, Dungates Lane, Buckland, Betchworth, Surrey RH3 7BD.
